

ARCH MI INSURES

Bulk Sales to Fannie Mae

Selling seasoned loans to Fannie Mae is a smart, strategic way for portfolio lenders to achieve both greater flexibility and reduced exposure.

Arch MI provides coverage for eligible loan portfolios being sold to Fannie Mae as bulk transactions. Talk to our Portfolio Solutions team about your needs.

Arch MI's Portfolio Solutions

Available through Arch Mortgage Insurance Company, our Portfolio Solutions are designed to support eligible customers participating in mortgage credit risk transactions.

Our knowledgeable, experienced team can offer customized recommendations and guidance to help you navigate the complex array of data, operation and contract variables involved.

Work with us to reach your portfolio lending goals:

- Improve your liquidity and capital position.
- Manage concentration and interest-rate risks.
- Take profits/increase earnings.
- Fund strategic business opportunities.
- Reduce credit risk.

Contact your **Arch MI Account Manager** today to learn more about this valuable opportunity.
