

"Alexa, Get a RateStar Quote"

Arch MI Is Available on Alexa-Enabled Devices

As a busy mortgage professional, you usually have your hands full. Now there's a fast, easy and hands-free way to contact us — **Arch MI on Amazon Alexa.**

"Alexa, Launch Arch MI"

In cooperation with Amazon Alexa, the leader in Voice technology, we're bringing you a new level of convenience in customer support, available on all Alexa-enabled devices.

Through this new service option, Arch MI continues to leverage the latest industry technology to deliver efficient and innovative solutions for your business needs.

How to Set Up and Use the Arch MI Skill on Amazon Alexa

You will need the following to activate Arch MI on Amazon Alexa:

- A free Amazon account (not necessarily a paid Prime membership).
- Access to WiFi.
- An NMLS ID number (to run a rate quote).

Add the Arch MI Skill to Your Alexa-Enabled Device

- Set up your Amazon Echo/Dot/Tap, following the Amazon instructions at **archmi.com/alexa**.
- To add the Arch MI Skill, say "Enable Arch MI Skill."

Activate the Arch MI Skill and Make Your Request

- Say "Alexa, launch Arch MI."
- Choose one of the following options and say it aloud:
 - "Find my Account Manager."
 - "Call customer service."
 - "Help."

For complete instructions on using Arch MI on Amazon Alexa, visit archmi.com/alexa.
