

Servicers Receive a Special Discount AS ARCH MI CUSTOMERS

Have You Arranged a Third-Party Review?

If you service MERS loans, your MERS® Annual Report is due Dec. 31. If you service 1,000 MERS loans or more, a third-party review firm is required to validate your MERS® quality assurance processes and sign off on your MERS® Annual Report.

Arch MI Customers Are Eligible for a 20% Discount

This year, **Falcon Capital Advisors**, a designated MERS® Annual Report third-party review firm, offers all Arch MI clients a 20% discount for its MERS® Annual Report Assessments.

With three former MERS executives and senior staff on hand, Falcon Capital Advisors' expert team provides an efficient and comprehensive evaluation at a transparent fixed price, without disrupting your busy operations.

Don't risk costly compliance violations by delaying your review or report submission. Contact your **Arch MI Account Manager** today to learn more about this special discount offer and get on track for Dec. 31.

About Falcon Capital Advisors

Falcon Capital Advisors is a Washington, D.C.-based business advisory firm that provides strategic advice, technical expertise and engagement execution to financial institutions and government agencies in real estate, mortgage finance, digital mortgage, banking and capital markets. The firm was founded in 2007 by Armando Falcon, the former Director of the Office of Federal Housing Enterprise Oversight (OFHEO). For more than a decade, financial institutions, GSEs and federal agencies have turned to Falcon Capital Advisors for support to excel in an increasingly competitive mortgage and digital marketplace.
